C. Immigration Control

   I. If you are a national of the European Economic Area (EEA), or of Switzerland, the immigration procedures in this section do not apply to you. You are entitled to enter the UK freely and have the right of residence for the duration of your course.

   II. Most international students from outside the EEA need a visa to enter the UK. There are different kinds of visa. The majority of students coming to the University will need a student visa. If you are coming to Liverpool for one year you will need a Tier 4 visa and you will receive a CAS Statement letter and a CAS number.

   III. If you are coming for one semester, obtain your student visitor visa in your home country before travelling.

   IV. If you have any problems when you land, you should ask the Immigration Officer to contact the International Support Team (IST): [https://www.liverpool.ac.uk/studentsupport/ist/](https://www.liverpool.ac.uk/studentsupport/ist/) at the University.

D. **Financial matters:**

I. Please ensure that you have enough money to cover all your living expenses before coming to the UK. Erasmus and Exchange Study Abroad students do not pay tuition fees to The University of Liverpool. Sponsored students’ tuition fees will be paid by the home University.

II. The *estimated* cost of living expenses in Liverpool are low compared to many other UK cities. Students will need between £6,000 and £7,000 to live in Liverpool for a year. This includes accommodation, food and local travel and will vary depending on your lifestyle. This does not include the cost of travel to Liverpool or transitory accommodation (i.e. hostel/hotel).

III. Please remember to bring some cash (Sterling) with you for your immediate expenses such as travel fares, accommodation and meals etc. Do not carry more cash than you need for your travelling expenses. Most cash machines will accept cards from banks with the Visa/Maestro logos.

IV. If you wish to open a bank account in Liverpool, you will need a bank letter. Banks prefer to open bank accounts with students staying for more than 6 months. You can only get this letter when you have registered and entered your Liverpool and your home address on the Liverpool Life. Decide which bank you want to have an account with and when you have done this SAT will give you further information. You will need your ID card.

E. **What to Pack**

I. The weather in the UK can be very changeable, so it’s useful to bring a variety of clothing. The temperature rarely falls below -5 °C and rarely rises above 25 °C. It is not uncommon to experience a mixture of rain and warm sunshine throughout the day. Snow does fall in Liverpool, but heavy snow is not very usual.

II. As Liverpool is home to a diverse community, you can easily find foodstuffs from a variety of ethnic backgrounds, so you do not need to bring food from home.

III. Make sure you pack important documents, like your passport, your offer letter from us and this Handbook in your hand luggage.
F. Travel insurance

You need to protect your cash and belongings from theft or loss during your journey, so you are strongly advised to take out travel insurance before you leave your home country. If you have bought anything new before your journey, remember to keep the receipts, the insurance company may ask you to provide them in the event that you have to make a claim. Please ensure you are covered for repatriation.

G. Overnight accommodation

6. Settling In

Arriving in a new country and getting to grips with all the differences can be an exciting, but sometimes challenging experience. However, by following a few simple tips and considering your own thoughts and feelings, you can make this transition as smooth as possible.

A. Culture Shock

Culture Shock is the term used to describe the range of feelings that someone can experience when arriving and settling into a new country. The graph below shows the W-Curve, displaying the patterns of highs and lows associated with culture shock:

![W-Curve Diagram]

B. Dealing with Culture Shock

The more research you have done about Liverpool, and the more familiar you are with the procedures at the University, the less shocking Culture Shock is likely to be. Getting involved with local culture (e.g. attending local festivals) and university student life (e.g. joining student clubs) are excellent ways of reducing Culture Shock. And remember, you are not alone! Lots of students who study abroad experience culture shock, so talking to someone about how you feel can be the first step towards settling in. If you’re having a really difficult time, then you can always contact SAT and the Counselling Service using the contact details given at the beginning of this guide.
7. During your stay

A. Changing your Dates of Study

I. Extending your stay

Once you have registered the period of stay in Liverpool, you will not be able to extend your stay in Liverpool.

II. Leaving early

You must contact SAT by email and SAT will organise this for you only under exceptional circumstances.

B. Academic Life:

I. Examinations and Coursework:

Coursework is work that you do during the semester (e.g. essays or dissertations etc) and examinations are held at the end of each semester. The assessment of an exchange student is the same as any other student in Liverpool, therefore assessments are compulsory. Please check the exam timetable link: http://www.liverpool.ac.uk/student-administration/exams/

II. Deadlines:

You must submit coursework by the appropriate deadline and sit exams, otherwise you will lose marks. If ill, please email the department immediately and ask for a Mitigating Circumstances form - you will need a doctor’s note.

III. Academic Integrity

Academic Integrity encompasses the expectation that students will not cheat in assessments nor deliberately try to mislead examiners and assessors, it is just as important to emphasise the positive role that academic integrity plays in each student’s intellectual and professional development and in their successful transition to graduate employment and future careers. Students who embrace academic integrity understand that they must produce their own work, acknowledging explicitly any material that has been included from other sources or legitimate collaboration, and to present their own findings, conclusions or data based on appropriate and ethical practice. For the full policy on Academic Integrity please see: http://www.liverpool.ac.uk/tqsd/code-of-practice-on-assessment/
C. Working in the UK:

I. European Union and EEA Students

All EEA and Swiss national students can work in the UK.

The University recommends that you do not work more than 15 hours per week during term-time so as not to interfere with your studies. You may work full-time during vacations. You can find more information about the right to work at http://www.ukcisa.org.uk/

II. Non-EU Students

Students with student visas issued for 6 months or more (i.e. not those on short courses nor those with student visitor visas) are allowed to work part-time while studying (you are NOT AUTHORISED to take leave from your studies in order to work):

- **Up to 20 hours per week during the academic year.** (NB the University of Liverpool recommends no more than 15 hours per week.)
- **Full-time in vacations.** (NB this means University vacations, only for registered students.)
- The UK government is making a number of changes to the immigration system. You must check the International Support Team’s website: http://www.liverpool.ac.uk/studentsupport/ist The IST website is updated as quickly as possible when information changes. You must check these pages regularly.

D. Careers Support:

Please visit the website to find information regarding students part-time work jobs or voluntary opportunities: www.liverpool.ac.uk/careers

Please remember, penalties for working illegally are severe and include possible imprisonment and deportation

“As a member of the Open Air Club, I did a lot of hiking in the Lake District and in Snowdonia in Wales, which I can only recommend. I went to Manchester a couple of times, to York and to different places in Yorkshire.”

8. Returning Home at the End of your Study Abroad period

At this stage you have finished your exams and the Study Abroad programme, and it is time to return home!

   Before leaving the University of Liverpool you must make an online appointment to have any departure documents signed and stamped by the SAT Co-ordinator. If you don’t have such a document you do not need to meet with SAT.

B. Transcript of marks:
   - You will receive an email with your marks from the Student Administration and Support office
   - SAT will send the original transcript to your university’s Erasmus+ or international office as an official document by DHL

I. If you fail an examination at Level 1 or 2 you will have the opportunity to take it again in August/September. If the module you failed is Level 3 or higher, you will not be able to re-sit as you will not be a student at Liverpool any longer.

II. If you wish to re-sit an exam module please email: erasmus@liverpool.ac.uk. You should also see our Re-sits web page: https://www.liverpool.ac.uk/studentsupport/ist/studying/examinationsandresits/

III. International students (i.e. from universities outside of the EU) may be given permission to take re-sit exams at their home university. You must contact SAT with your ID number and the module(s) you wish to re-sit and the address where exams pack should be sent to – there are fees to pay. There is also a deadline.

IV. EU students must return to Liverpool to re-sit exams.

Although returning should be relatively easy, some people find it difficult to settle in.
Please give yourself time to get used to life at home again!

“An abroad experience teaches you more than a language, another culture and other habits, because you can also stand back on your culture. It is an incredible personal experience and a real springboard for your carrier.

I tried to visit Liverpool as much as possible, experience ‘British habits’ such as afternoon tea, British cooking, museums, etc...”

Timetables and routes are available from: [http://www.merseytravel.gov.uk/Pages/Welcome.aspx](http://www.merseytravel.gov.uk/Pages/Welcome.aspx)
