### CHECKLIST
- Notes
Since Politecnico does not dispose of on-campus accommodation facilities, the Foreign Citizens Office has taken out an agreement with the Sportello Casa service.

Sportello Casa is a free service that provides students with information and support for the search of accommodation in Torino for long terms. Sportello Casa is a point of reference both for those who are seeking a housing solution and for those who are offering it.

Offers can be found on the web www.torino.sportellocasapiemonte.it or at the head office:

**Sportello Casa**
Via Verdi 26/a
From June to October: from Monday to Friday from 9.00 a.m. to 1.00 p.m. and from 2.00 p.m. to 5.00 p.m.)
From November to May: from Monday to Friday from 9.00 a.m. to 1.00 p.m.
T +39 011 8138328  F +39 011 8391463
@ torino@sportellocasapiemonte.it

Generally the minimum timeframe for a booking in a hall of residence or in an apartment is 5-6 months.

**PLEASE NOTE** - We advise you not to contact private agencies as they might have high commissions (usually a non-refundable 2-month rent).

By law, a landlord must provide the tenant with a contract copy stating the rent duration, the amount and when it is payable. You should read through the contract very carefully and be sure that you have understood all the terms and conditions. The typical rent agreement, in terms of expenditure, involves:

- **a deposit**, usually the equivalent of two/three-month rent (the deposit is refundable at the end of the rental agreement, subject to deductions for any damage or outstanding debts);
- **one-month rent advance payment**.

The rent amount can vary depending on the area, the flat condition (etc.), but you can expect to pay on average about € 250/350 per month for a single room and about € 200/280 per month per person for a twin room. Sometimes all the bills (heating, electricity, water, gas and cleaning) are included in the rent. In other cases the rent can be lower, but you have to add to it the cost of all the utilities. Bills can be paid at the nearest post office or bank by using the fee form that is usually sent by the company via mail (depending on the bill type). Flats are usually completely furnished. Linen and bath-towels are not provided by landlords but usually there are mattresses, pillows and blankets.

> **Hostels and Residences**
Here you can find all the information you need about hostels for a short stay along with some useful advice for renting an apartment [www.studyintorino.it/information/accommodation/](http://www.studyintorino.it/information/accommodation/).

**Please check in which campus your courses will be held before proceeding with the accommodation search**
# IMMIGRATION PROCEDURES

> **Codice Fiscale (“Fiscal Code”)**

The *codice fiscale* ("fiscal code") is the first thing you have to apply for, after arrival. The *codice fiscale* is a code made up of letters and numbers on the basis of your first name, family name, date and place of birth and it is used by the Italian public administration to identify each citizen living in Italy. All European and non-European citizens staying in our country need to have their own. The *codice fiscale* is necessary in order to enrol at Politecnico, to apply for the residence permit, open a bank account, enter into a tenancy agreement, receive a scholarship payment, earn a salary and carry out other procedures or activities. Usually in September the Tax Office service is available in the International Affairs Area. The rest of the year, in order to obtain your Italian “fiscal code” you will have to go to one of the local VAT/Tax Offices (*Uffici Locali dell’Agenzia delle Entrate*), bringing along your passport or identity card. You also have to provide a copy of your passport page and of the visa page or - if you are European - a copy of your ID card. The application form is available at the Foreign Citizens Office. The *codice fiscale* is issued immediately when you are attended and it is free of charge.

**VAT Offices**

- Corso Bolzano, 30
- Via Paolo Veronese, 199/A
- Via Sidoli, 35
- Via Padova, 78

These offices are open from Monday to Thursday from 9.00 a.m. to 1.15 p.m. and on Mondays, Tuesdays and Wednesdays also from 2.30 to 3.30 p.m. Fridays from 9.00 a.m. to 1.00 p.m. Saturdays closed.

If your *codice fiscale* card is lost or gets stolen, you can apply for a duplicate at the local Tax Office. In September students have to apply for the *codice fiscale* in our International Department where the Tax Office service is available every day.

> **European Union Citizens**

Citizens from countries that belong to the European Union (since April the 11th, 2007) must not apply for the residence permit. Three months after arrival you have to go to your local Register Office (*Anagrafe*) if you are going to spend more than three months in Italy and apply for a “temporary registration” (*iscrizione all’anagrafe della popolazione temporanea*) by submitting your:

- ID card
- European health card (*TEAM*)
- *codice fiscale*
- enrolment certificate

People with double nationality (Italian or EU + non-EU citizenship) don’t have to apply for the residence permit since they have to enter Italy by using their Italian or EU passport. For all administrative procedures both inside and outside Politecnico (registration, enrolment, *codice fiscale* application, *Anagrafe* and Register Office procedures, etc.) you have to use your Italian or European passport which you used for entering Italy.

**Anagrafe Centrale**

Via Della Consolata, 23

Open from Monday to Thursday 8.15 a.m. - 3.00 p.m.
Friday 8.15 a.m. - 1.50 p.m.

**The CODICE FISCALE (“fiscal code”) is the first thing you have to obtain after arrival**
You have to apply for the residence permit within 8 working days after arrival.

>Residence Permit
1st Application (non-EU Citizens)

Non-EU citizens spending more than 3 months in Italy have to apply for the residence permit within 8 working days after arrival. We remind you that non-EU students with a study residence permit are allowed to work for a maximum of 20 hours a week (totally 1040 hours/year). Non-EU citizens have to submit the residence permit application at any post office where there is a “Sportello Amico” counter. In order to collect the application kit and for support in filling in the application form please go to box office no. 12 in the International Affairs Area, where some cultural mediators will attend you. The total cost for a one-year study residence permit is between €250 and €300 (depending on the health insurance type you choose).

You have to gather the following documentation:

- **Your passport**
- **Passport copies**
  - 2 photocopies of the page of your passport containing your personal data
  - 2 photocopies of the page of your visa for Italy
  - 1 photocopy of the passport pages containing stamps/other visas
- **A €16,00 duty stamp (marca da bollo)**
  You have to buy it at the Tobacconist’s (Tabaccheria shop)
- **A photocopy of your "codice fiscale" ("fiscal code")**
- **A photocopy of the Politecnico invitation letter**
  Invitation letter reporting the course in which you are enrolled, stamped by the Italian Consulate/Embassy in your home country - when your visa was issued
- **“Autocertificazione” (enrolment self-declaration)**
  Attesting the enrolment in Politecnico di Torino; you can print it from your personal page on Portale della Didattica by clicking on Segreteria online - Certificati - Stampa autocertificazioni - Stampa
- **Income proof copy or self-declaration**
  - photocopy of a scholarship letter if you have it; otherwise,
  - a self-declaration on your income (you can fill in a form available at our office desks no. 1 and 2 (Autocertificazione sui mezzi di sostentamento)
- **Health insurance copy**
  Please check chapter ‘Health > Insurance >> Non-EU Citizens’ on page 15

We advise you to keep a copy of all your documents and certificates (health insurance card, contract or payment receipt, residence permit, renewal receipt, passport/ID card, codice fiscale, etc.)
During the month of September and for a few weeks in February, some cultural mediators are available everyday, from Monday to Friday from 9:00 a.m. to 11:30 a.m.

During the rest of the year, our mediators are on duty twice a week, usually on Tuesdays and Fridays, from 9:00 a.m. to 11:30 a.m.

After filling out the application form with the help of our mediators, the application has to be handed in within a maximum of 2/3 days at any post office where there is a “Sportello Amico” counter.

The postal expenses amount to € 30. You will also have to pay € 110,46 in order to obtain the electronic residence permit card (the paying-in slip is given by the cultural mediators at box office no. 12).

The Poste Italiane employer will check your passport (please do not seal the application envelope) and will give you a receipt (assicurata) containing a USER ID and a PASSWORD.

Thanks to the USER ID and the PASSWORD found on your postal receipt, you will be able to check the status of your application not only through the Foreign Citizens Office, but also on the following website www.portaleimmigrazione.it (click on the “Area riservata stranieri” icon – bottom right – then enter your PASSWORD and your USER ID).

You can check if your residence permit is ready for collection at this link: www.questure.poliziadistato.it/stranieri by entering your PASSWORD (the one on your postal receipt).

You are advised to check frequently your Politecnico email account (sMATRICOLA@studenti.polito.it) because if we receive a letter from the police about your residence permit, we will contact you on that account.

Please remember to always carry with you the postal receipt and your passport, until your residence permit is issued.

At the post office you will be given an appointment (day and time) for the fingerprinting at the Immigration Office (in corso Verona 4).

On this appointment you will have to bring with you four identical passport photos and all the original documents whose copies were enclosed in the application envelope, including any document that could be missing from your application.

If you are spending more than 1 year in Italy, on this appointment you will have to sign an “integration agreement”.

From the Ministry information brochure: “[...] Through the signing of the agreement, foreign nationals undertake to achieve specific integration objectives that shall be fulfilled during the period of validity of the residence permit”:

• acquiring a sufficient knowledge of the Italian language (level A2)*;
• acquiring a sufficient knowledge of civic culture;
• guaranteeing the fulfilment of compulsory education for minors.

[while] the State undertakes to support the integration process of foreign nationals.”

Within 90 days from the signing of this Agreement, you have to participate in a training session on civic education and life in Italy.
A list of the schools holding language and civic education courses is available at the Foreign Citizens Office (desks no. 1 and 2). Failure to attend the session on civic education and life in Italy will result in a reduction of fifteen out of the sixteen credits awarded upon signing the agreement.

The integration agreement “credits” do not have to be confused with the exam credits as they have nothing to do with your study career, but rather only with your residence permit.

*the Italian language exam taken at Politecnico is recognised to this purpose - provided that its level is at least an A2.

(www.libertaciviliimmigrazione.interno.it/dipim/site/it/documentazione/documenti/politiche_immigrazione_asilo/Accordo_integrazione_e_brochure_tradotti_in_varie_lingue.html)

Participation in the training session on civic education is compulsory. It is also mandatory to go and get fingerprinted on the day and at the time indicated in the appointment sheet issued by the post office. The immigration office stops the applications of those students who missed the fingerprinting.

It is strongly recommended to check the status of your application about 3 weeks after the fingerprinting. Usually about one month and a half after the fingerprinting, the residence permit will be ready for collection at the Immigration Office in corso Verona 4.

### Residence Permit Renewal
You can renew your residence permit no earlier than 30 days before its expiration.

By law you have to apply for the renewal before its expiry. Also for the renewal, in order to collect the application “kit” and for support in filling out the application form, please go to box office no. 12 in the International Affairs Area, where our cultural mediators will prepare the application form for you.

Mediators are on duty twice a week, usually on Tuesday and Friday, from 9.00 to 11.30 a.m.

IMPORTANT: in September mediators are on duty every day, only for the new students who apply for the first residence permit. Students who need to renew it can do it at Politecnico until the end of July or starting from October.

For information on the requirements for the residence permit renewal application please report to the Foreign Citizens Office, desks no. 1 and 2.

If you are holding the postal receipt for the residence permit renewal you can leave and re-enter Italy, provided that:

- you are holding a valid passport, the postal receipt and the expiring/expired original residence permit;
- the travel does not include stopovers in other Schengen countries.

Also in this case, if you are travelling abroad in the Schengen Area or to other countries, you are recommended to verify with the embassy/consulate of your destination if you need a visa for entering that country, depending on your citizenship and your current domicile. Before starting a journey and buying a ticket, please enquire with the Foreign Citizens Office.

There are many hospitals in Torino that are open 24 hours a day, with Emergency Rooms providing assistance in urgent cases. You may have to pay a fee (“ticket”) for the tests that are less urgent (starting from € 25 for a code white). If you are moved from an Emergency Room to a public hospital, you will not have to pay for the hospitalisation expenses.

>Insurance

The health insurance is necessary in order for you to get medical assistance and also for the residence permit.

>>Non-EU Citizens

The immigration law requires you to take out a health insurance during your stay in Italy.

If you have a private insurance that has been taken out in your country, please remember that - in order to be valid in Italy for the residence permit - it needs to have the following requirements:

- your name (in western characters)
- validity in the Schengen Area
- written in Italian (or in English/French/Spanish)
- the exact coverage period (no less than 6 months / maximum 1 year)
- the type of coverage for medical expenses

Please notice that the duration of the residence permit will be connected to the duration of the insurance); minimum ceiling: € 30.000 (expressed or converted in Euro)

The whole document has to be endorsed and stamped by the Italian Embassy or Consulate in your country.

Otherwise you can take out a Generali Italia Insurance policy, making the payment at any post office on the company account by means of a paying-in slip (c/c no. 71270003 to “Generali Italia SPA” - see the sample on page 13). At present, the price is € 49 (quaranatone Euro) for a six-month coverage and € 98 (noveantotto Euro) for a twelve-month coverage. This insurance only covers urgent medical assistance (surgery and accidents) in the Emergency Room (Pronto Soccorso) of any hospital.

After buying it, you are strongly advised to request a copy of the Generali Italia health insurance contract.
You can obtain further information about this at the Foreign Citizens Office. It is also possible to enrol in the Italian National Health Service (Servizio Sanitario Nazionale / S.S.N.). The price for a health card for students (tessera sanitaria) is € 149.77 per calendar year - that is, it will be valid until December the 31st of the year you bought it. In order to subscribe, first you have to pay € 149.77 at any post office or bank by filling in the “F24” payment form (modello F24 - see the sample on page 14).

After submitting your residence permit application, you have to go to the ASL office in the district where you live (ASL are the local administrative and operative facilities of the National Health Service) and subscribe.

Documentation to be showed to the ASL employees:
- *modello F24* payment receipt
- passport / ID card
- residence permit and/or postal receipt if you have just applied for it
- Politecnico enrolment self-declaration
- *codice fiscale*

Please note that you can apply for the *tessera sanitaria* at any medical office belonging to the relevant ASL in the area where you live (choose an office either within ASL 01 or ASL 02 territory).

The Italian National Health Service public coverage provides full health assistance - including the possibility to choose a family doctor. In the Italian health system, the family doctor provides general or first-level health assistance, i.e., health care outside the hospital, hence including medical treatment in case of ordinary diseases or no-emergency health problems and prescribes medicines and tests.

The Italian National Health Service card for non-EU citizens is not valid in other EU countries.

**IMPORTANT**: before paying through the F24 form, you are suggested to ask the Foreign Citizens Office for detailed information.

Lastly, if you have a document proving your right to health assistance on the basis of treaties and bilateral agreements signed by Italy and your home country (issued by the Italian Embassy or Consulate in your country), you can benefit from the health services stated in the agreement. For more information, you can apply to the ASL in the area where you live.

Non-EU Erasmus+ students holding the project health insurance, can contact the insurance company (you can find the emergency contacts in the policy), in order to find out where to go and what to do for any health problem or in case of an emergency. In particular, depending on your health problem and on the insurance company, you might be asked either to pay in advance and then to apply for a reimbursement of the treatment expenses, or not to pay at all.

If you have a form proving the right to health assistance on the basis of treaties and bilateral agreements between Italy and your home country – an authorization issued by the Italian Embassy or Consulate in your home country – you can use the health services provided for by the agreement.

Please check with your embassy/consulate if you are entitled to be covered and if the NHS service membership for you is payment.

Countries: Argentina, Australia, Brazil, Capo Verde, Vatican State and Holy See, former Jugoslavia (Macedonia, Serbia, Montenegro, Bosnia-Herzegovina).
For more information please refer to the ASL (medical office) in the district where you live. For the ASL addresses and further information: Foreign Citizens Office.

>>EU Citizens Spending more than 3 Months in Italy
If you are from a European Union member country and you hold the TEAM card or the E106 Form (statement for the original European Health Card issued by your home country), you can have the same services as Italian citizens, within the National Health Service (SSN). The assistance of a family doctor (medico di base / medico di famiglia) is guaranteed if you have an identity card and the original European Health Card (TEAM) or a substitutive statement (Modello E106). In this case you can go directly to a family doctor affiliated with the National Health Service, both for ordinary health problems and/or to ask for prescriptions for medicines or specific examinations.

The ASL (Local Health Authority) will request the reimbursement to the competent foreign institution, according to the rules of the National Health Service of your home country.

You can obtain more information at the ASL office in the area where you live. The list of doctors is available at any ASL or at any Chemist’s.

>>EU Citizens Residing in a non-EU Country
If you have the citizenship of a EU country, but you never lived there and therefore you are not holding a TEAM card or a substitutive statement (Modello E106), you will have to pay for enrolling in the National health Service, just like non-EU students.

>>EU Citizens Spending less than 3 Months in Italy
If you are a European Union student spending a short term in Italy, you can get emergency health assistance at the emergency unit (Pronto Soccorso) of any hospital.

>Banking and Post Offices

Italian banks usually apply a €5 charge for any foreign currency exchange transaction. An Exchange Bureau can also be found at the main entrance of Porta Nuova Railway Station. We recommend you not to carry all your cash with you. Please watch out for pickpockets on buses and in crowded places. If withdrawing money from cashpoints with non-Italian credit/debit cards (ATM) proves to be too expensive (please check with your bank in your home country that the PIN number is the same), we advise you to open a new bank account as soon as you arrive to Italy.

In order to open a bank account you will need:

- your ID card (or passport: non-EU students)
- residence permit or the postal receipt (non-EU students)
- enrolment self-declaration
- “fiscal code” (codice fiscale)

Please be reminded that, although most Italian banks do not usually charge any fees for closing an account, some still do, even though the account has just been opened. In any case, please remember to close your Italian bank account before leaving Italy, in order to avoid additional charges or interests.

Remember that every bank or post office account in Italy is subject to a tax (called *imposta sostitutiva di bollo*). Hence, before signing any contract or agreement, please be advised to visit an ample enough choice of banks or check their websites, in order to find out more about the possible charges of an account and the relevant terms and conditions.

Payments within the Italian territory can be settled through ATM cards (*bancomat*), credit cards (Visa, American Express, Master Card, etc.) and cheques. Debt and credit cards are usually accepted in hotels, restaurants, railway stations, shops and supermarkets.

There is a bank inside the Politecnico main Campus. The entrance is located in via Enrico d’Ovidio, near “Bar Pizza” on the south wing of the building.

Online banking can make you save money in operating costs.

Another banking option is to open a current account called “Conto Banco Posta” at any post office. For enquiries on the conditions and terms please refer to: [www.poste.it/bancoposta/](http://www.poste.it/bancoposta/)

In order to open a Banco Posta account please go to the nearest post office with:

- a copy of your ID card or passport
- non-EU students: your residence permit or the postal receipt
- a copy of your *codice fiscale*

There is a post office in the Politecnico building on the ground floor, beside the bank (in via Enrico D’ovidio 8).

Most post offices in Torino are open from Monday to Friday from 8.20 a.m. to 13.35 p.m. and on Saturdays from 8.20 to 12.35. Some are open until 7 p.m. Other post offices in Torino: [www.poste.it/online/cercaup/](http://www.poste.it/online/cercaup/)

Telephone cards are available inside the Politecnico di Torino Engineering school at the “Polincontri” box office or they can be bought at any newsagents’ or Tabaccheria shop (where stamps, bus tickets and postcards are sold).

>>MOBILE PHONES

The GSM network operators in Italy are: Auchan Mobile, Carrefour UnoMobile, CoopVoce, ERG Mobile, Fastweb, MTV Mobile, Noverca, Poste Mobile, 3, Tim, Tiscali-mobile, Vodafone, Wind.

After choosing the operator you prefer, you can go to one of its telephone shops and sign the contract, or purchase it online.

In order to buy a SIM card, you need to provide:
• a double-sided photocopy of your Italian codice fiscale
• a photocopy of your ID card or passport data page.

It only takes a few minutes to obtain a new telephone number.

You are recommended to buy an Italian SIM card as soon as possible

# EDUCATION

> Credit system

The university reform has introduced a system of university credits (Crediti Formativi Universitari) for the first time in Italy. The main characteristics of the system are as follows:

- The credits represent the student’s total workload (class time, individual study, exam preparation, practical work etc.) and one credit is equivalent to 25 hours. The average full-time workload for one academic year is 60 credits which is equivalent to 1,500 hours. Universities may opt for an increase or decrease in this total workload of a maximum 20% (1,200-1,800 hours), but they must justify this change.
- The amount of time reserved for individual learning or other individual educational and training activities must not be lower than 50%, except for the courses that include practical or laboratory work.
- Credits are earned once the student has passed the assessment for each course or activity.

> Grades

At the Politecnico di Torino, and in the Italian universities in general, grades of individual exams are expressed in fractions of 30. The maximum grade obtainable is 30/30, while the minimum required to pass a given exam is 18/30. Exceptionally brilliant candidates might be awarded with a 30 “con lode” (cum laude), and marked 30-L.

At the end of the Laurea (3 years - Bachelor of Science) and of the Laurea Magistrale (Master of Science) two year curriculum, the student is required to present a final project before an official commission and a final grade, based on both the average of the previous academic results of the individual exams and on the evaluation of the final project, is awarded to the student. The final grade is expressed as a fraction of 110. The maximum grade is 110, while the minimum is 66 out of 110. Exceptionally brilliant candidates might be awarded of 110 “con lode” (cum laude). The Italian system does not foresee a specific final mark for the thesis.

> Exams’ rules

While sitting for an exam it’s forbidden to use personal materials such as: papers, notebooks, notes, calculators or other electronic devices including mobile phones which should remain turned off during the whole time the exam takes place. Interacting with other candidates during the exam is not only forbidden but also self-defeating, because in most exams questions are different for each student. In order to guarantee all students a perfect uniformity in the exam conditions, the exam will be cancelled for those who do not follow the instructions or behave in any way that may disturb the exam. Besides, there is a specific Disciplinary Board that imposes disciplinary
measures to those that do not follow the above rules.

IT IS ALSO FORBIDDEN TO APPEAR AS SOMEONE ELSE IN THE EXAMS. The final grade of an exam has to be accepted or refused by the students. Whether you accept or refuse the grade, you must inform the Professor or it will not be possible to begin the process of registration.

> Documents’ legalization

The authentication attests the legal quality of the public official who has signed a document as well as the authenticity of the signature.

Documents issued by Foreign Authorities (Autorità Estere) are legalized in order to be recognized by the Italian Authorities and, vice versa, Italian documents are legalized in order to be valid abroad.

The authentication procedure is done at once: the office checks if the signature on the document to legalise has been deposited in a register kept by the Prefettura (Prefecture).

# TOOLS

> The Smart Card (Tessera studenti)

The Smart Card is an I.D. card that gives you free access to the main library of Politecnico, the computer labs (LAIB), Departments and other facilities. It is also useful to obtain discounts in several places such as museums, cinemas, buses etc. Further information about the Smart Card: https://didattica.polito.it/pdf/smart_card_info_2013_en.pdf

In order to obtain it, you have to complete your enrollment procedure on line and then reserve an appointment in the Registrar’s office Cittadella (Segreteria Studenti). The Student I.D. card will be immediately issued.

If you lose your Smart Card you should go to the Registrar’s office Cittadella to take another one. You will be able to get a copy that will cost €11.

>Portale della Didattica and Segreteria OnLine

The Portale della Didattica is an important tool that can be used for a number of purposes. Through it, you can reserve an exam or look at your learning agreement, check the registered grades, pay the tuition fees (if it is due) and print your documents. You can access there through your Polito username (sMATRICOLA) and password (DD/MM/YYYY), after that you are enrolled. You have to change the password after you login for the first time. As soon as you are settled in Turin, you are required to input your address, telephone and/or mobile number otherwise your career will be blocked. The data you will provide can be used by any office at the Politecnico di Torino, professors and your Academic Advisor for any urgent communication.

>Polito email account

Each exchange student will be given an e-mail address that must be used to contact the Incoming Mobility Office, the Foreign Citizens Office or any other office at the Politecnico di Torino, the Academic Advisor or any other professor. You can have access to your Polito email account by logging in your personal page of Portale della Didattica. The password of your Polito account (sMATRICOLA@studenti.polito.it) is your birth date (DD/MM/YYYY). You can change it after you login for the first time. You can also forward your personal e-mail address by logging in your page of Portale della Didattica, so that you will receive your Polito messages into your personal e-mail address.

# AT YOUR ARRIVAL

>Registration

You are strongly required to attend the Welcome Orientation meeting organized by the staff of the Incoming Mobility office. After the meeting you should go to the Agenzia delle Entrate to get your Fiscal Code. Then you have to bring your passport and your fiscal code to the Incoming Mobility office who will allow you to make the Enrollment procedure on your Apply page. You will reserve an appointment at the Registrar’s office Cittadella (Segreteria Studenti) to receive your Smart Card.

>Learning Agreement

In order to define your Learning Agreement you are required to meet your Polito Academic Advisor. You can reserve a meeting with him from your Apply page or contact him/her by email. If you are coming for the full a.y. you must load the courses for the whole year. Deadlines to load online all courses defined with your Academic Advisor for the Fall/Spring semester or the whole academic year are: between September 19th to October 19th (Fall semester) and February 20th to March 20th (Spring semester). The Learning Agreement is a binding document and should only be changed if suggested by the Academic Advisor, in case of timetable clashes or unexpected course cancellations.
In order to fill in the electronic Learning Agreement follow the steps:

1. Go on Polito website www.polito.it, Login and select “STUDENTS” --> Portale della didattica
2. enter in your personal page of Portale della didattica with your Username and your password Username= Smatricola (ex:s123456) Password= your birthdate (ddmmyyyyy)
3. click on Segreteria OnLine
4. select Incoming Students - Define your Learning Agreement in order to start filling in your Learning Agreement
5. in order to load the course name, click on ALTRI and put the course name in CERCA DESCRIZIONE or the course code in CERCA CODICE
6. when the course name or code appears, click on AGGIUNGI and RITORNA VIDEATA INIZIALE
7. confirm the courses, clicking on OK at the end of the procedure. This question will appear at the end: “Do you want to send your L.A. to the Advisor for the approval?”YES/NO

If you click on YES, the learning agreement is ready for the approval of your Academic Advisor. If it will be approved, you will be able to read the status “APPROVED” in your page. If it will be rejected, the Professor will have to justify his decision, unlock the study plan and let you modify it, according to his suggestions. In this case you will find this message: “Your learning agreement has NOT been approved. Please modify and submit the learning agreement again to your Polito Academic Advisor”. L.A. cannot be changed when status is “pending approval”. You are advised to visit the Politecnico web-site for the academic offer (https://didattica.polito.it/pls/portal30/gap.a_mds.init_new?p_a_acc=2016) and then look at the timetable http://www.swas.polito.it/dotnet/orari_lezione_pub/ While filling in the Learning Agreement for the Fall/Spring semester or for the whole academic year 2016/17, the Erasmus+ and Bilateral Agreement students should remember that:

1. it is not possible to do extra work for the exams in order to obtain extra credits;
2. if you choose laboratories, internships or even single courses having as final grade “passed or not passed” (IDONEITÀ or SUPERATO) you cannot obtain a grade in /30. If it is required to present such grade in /30 to your Home Institution, another course should be chosen instead of those graded as “passed or not passed”;
3. it is not possible to take final exams in the University of origin or abroad;
4. if you are Erasmus+ or Bilateral Agreement student (not Double Degree) your final thesis does not have to be added to the electronic Learning Agreement. You must contact the Incoming Mobility Office in order to get the “Thesis Evaluation Form”
5. You cannot choose:
   - distance learning courses (corsi a distanza);
   - courses from the first year of Bachelor’s degree;
   - free elective courses of the first and third year of Bachelor level;
   - language courses other than the italian (for further information read the Guidelines in your Apply page)
6. you cannot attend/pass the exam of one module if the course is composed by 2.

If the course you are attending expects more than one professor, pay attention to attend it with the correct one, considering the alphabetical order!
Double degree students: in order to get the degree (Master of Science) you are required to pass all the exams for a minimum of 90 credits (60 courses + 30 thesis) in 18 months. According to the agreements, students from the Universidad Central de Venezuela, Universidade de São Paulo, Pontificia Universidad Javeriana, Universidad de Antioquia, Universidade de Brasilia are required to pass all the exams for a minimum of 120 credits (90 credits + 30 thesis) in a period of 24 months. The Academic Advisor will help you in defining the Learning agreement on the basis of the compulsory subjects necessary to get the degree and the gaps of the previous academic career.

For any doubt about the length or the structure of the Double Degree Programme contact the Incoming Mobility Office incoming.students@polito.it

>Learning Italian
CLA (Language Centre) at the Politecnico di Torino offers all international students Italian language courses free of charge. For further information about Italian language courses (levels, calendars, final marks...), you can visit the CLA website: http://didattica.polito.it/cla/

Double degree students enrolled to a Bachelor or Master of Science degree have to attend the Italian language course and pass the exam (except all the Double Degree students who will spend only one semester at Polito like Nanotech students, etc.).

The Italian language is considered an "extra-subject": this means that the course does not count for the achievement of the total number of credits required to graduate. "Italian Language" or "Lingua Italiana" exams should be listed in your study plan according to the following rules for each specific case:

1. DOUBLE/JOINT/FULL DEGREE STUDENTS enrolled on a degree course entirely taught in English must attend Italian language A2.
2. DOUBLE/JOINT/FULL DEGREE STUDENTS enrolled on a degree course entirely taught in Italian must attend Italian Language B1.

Italian certification: as entry requirements Politecnico di Torino accepts proficiency certificates in Italian issued by assessment authorities acknowledged by the Ministry of Foreign Affairs and the Ministry of Education:

1. Università degli studi di Roma Tre;
2. Università per stranieri di Perugia;
3. Università per stranieri di Siena;
4. Università per stranieri non statale e legalmente riconosciuta “Dante Alighieri”di Reggio Calabria;
5. Società Dante Alighieri (PLIDA).

Politecnico also accepts Italian embassies and “Istituti di cultura italiana” certifying the conclusion of courses which require a final examination (certificates of attendance will not be accepted) and that state the level of proficiency attained through the course. You must hand in your certificate at the Registrar’s office, who will register the certificate in your career.

>English language
Exchange students (not Double Degree) cannot attend the English language courses.

BE CAREFUL: if you enroll to the IELTS exam by mistake you will have to pay € 120!

Double Degree students must pass IELTS exam before the graduation with a minimum score of 5.0 (5.5 if you are enrolled in Automotive engineering) or to possess accepted certification.
Master degree students who want to apply for the IELTS exam in Politecnico, need to pay €100 at the Segreteria Studenti-Cittadella. Bachelor degree students are exempted from the payment if they pass the exam at first attempt.

English language is considered as “extra-subject”: it means it does not contribute to the credits required to obtain the Bachelor or Master of Science degree. It is compulsory to pass the IELTS exam before submitting the DEGREE REQUEST/domanda di laurea (check the deadlines in the academic calendar).

>Extension of stay
If you want to extend your stay, the Incoming Mobility Office needs to receive an official communication by your home University. Erasmus+ students: if you arrive on September follow the rule here below. If you arrive on February and you want to extend your stay for fall semester of the following a.y. you must be selected again by your home University.

>Graduation
Double Degree students: about 6 or 7 months before graduating, you should find a Thesis Supervisor and discuss about the topic and the title of the thesis. Once you define it please remember to fill in the “Richiesta di ammissione all’esame finale” (Thesis Request), available on Portale della Didattica - Tesi.

Pay attention: the thesis must be loaded to your study plan before filling in the thesis request (you don’t have to load more than 130 ECTS to your Master of Science study plan).

According to the deadlines scheduled in Manifesto degli Studi of your program (https://didattica.polito.it/segreteria/esamefinale/it/), about 1 month before your graduation don’t forget to fill in the degree request, entering on Segreteria OnLine - Laurea ed esame finale and filling in these 3 forms:

- Richiesta conferma conclusione tesi
- Almalaurea
- Domanda di ammissione all’esame finale (here you have to pay the graduation fees - about 93 Euros).

Except for French students it is not possible to work on the Thesis in the student’s home country (or student’s home institution), but, in agreement with the Supervisor, you are allowed to prepare the thesis in a different country or in any other University, company or institution in Italy. Even if the thesis will be prepared somewhere else, IT IS COMPULSORY TO HAVE A POLITECNICO SUPERVISOR.

It is also possible to apply for “Contributo tesi fuori sede” (scholarship for thesis abroad), for further info: Outgoing Mobility Office mobilita.studenti@polito.it

In order to obtain the Diploma (“pergamena di laurea”), in case the agreement with your home University does not foresee that you attend the graduation ceremony, remember to fill in the form to send the diploma in your home country (shipment fees are about 15 Euros + stamps).

Deadline to complete the electronic LA:

**FALL SEMESTER**
19/09 - 19/10

**SPRING SEMESTER**
20/02 - 20/03
Please remember to ship the original of your thesis to the Registrar’s office after your graduation or it will not be possible to request any degree certificate to the Incoming Mobility office or to the Registrar’s office.

> Internship information
If you wish to activate the internship you need to:
- come to the Incoming Mobility office and ask to add the Stage to your study plan (pay attention that you cannot load more than 130 ECTS on the Master of Science level).
- visit the web page http://stagejob.polito.it/en/home and read the instructions to fill in the PROGETTO FORMATIVO of your study course;
- present your PROGETTO FORMATIVO and hand it in to the Ufficio Stage&Job at least 7 days before the starting date of your internship. Then the Ufficio Stage&Job will give you the “Internship booklet” (LIBRETTO DI TIROCINIO). You will have to register your daily attendance.

You will be assigned a TUTORE AZIENDALE by the hosting Company, with whom you will cooperate during the internship. The rules to choose your TUTORE ACCADEMICO depend on your Department; check them on the Stage&Job website.
- hand in the LIBRETTO DI TIROCINIO, signed both from you and your tutors, to the Ufficio Stage&Job within 15 days AFTER the end of the internship period;
- inform the Ufficio Stage&Job about any change regarding your internship (for example in case of extension or suspension, etc). You will have to fill in the relative form, at least 7 days before the variation: http://stagejob.polito.it/en/home
- read your course instruction on Stage&Job website in order to register your internship.

> Part-Time jobs (only for double degree students)
In the official web site of Politecnico, you can find, usually in April/May, announcements for part-time jobs at the International Affairs Area Offices here: https://didattica.polito.it/tasse/collaborazioni.html

# AT YOUR DEPARTURE
At the end of your study period at Politecnico di Torino, two or three days before leaving, don’t forget to visit the Incoming Mobility Office to inform us about your departure date and to be sure that there are no academic matters left unsettled. You will be able to print/save your final Transcript of Records from your personal page of Portale della Didattica (once that all your grades will be registered) ONLY by going to the Incoming Mobility Office before you leave. Another of the fundamental steps to finish the check out procedures is also the compilation of the “customer satisfaction” questionnaire (an email will be sent in your Polito email account a few days before leaving).

Fill in the customer satisfaction questionnaire before your departure
